

Dear God,

How are you? Thank you for giving me a chance to learn in Kei
Faat Primary School (Yau Tong). The teachers always show their care
to us. I enjoy playing and studying with my friends in the beautiful
campus. I am so proud to be one of the members in this amazing
primary school. This year is our school fifty- five years old birthday. I
hope you can bless my school and give us support of love all the time.

Love,

Amelia
