2. Plan a story. You've got four panels, so work out what's going to happen in each one.
3. Sketch a rough draft first. Then draw and colour nicely.
4. Every comic strip has a beginning, middle and end.
5. Add a sound effect, speech bubble and / or thought bubble in each panel.
6. After drawing the comic, write your comic story on the sheet provided.

Choose and ✓ one topic to create your comic:

☐ **Moving to Mars**

☐ **My _____ memories**

Now, write your comic story in not fewer than 80 words here.

Yesterday, I was very tired so I went to bed early. I fell asleep very quickly.

Suddenly, I heard some creepy sounds. 'Bo! Ah! Hahaha...' I was woken up by these sounds. Since it was very dark at the room, I felt scared. But I still decided to find out the origin of the unidentified sound.

A few minutes later, I saw two odd shadows outside. 'Who are they? They look strange,' I mumbled. When I was thinking, the shadows disappeared. Just as I looked out of the window, footsteps could be heard coming from the garden. Each step sounded heavy and fast.

All of a sudden, two aliens went inside my room. They looked gruesome and unfriendly. The taller one had blue and white skin and three eyes! The shorter one looked funny. I shouted at them stutterly because I was too spooked and horrified. Soon, they got mad and caught me tightly. They even shut my mouth with the masking tape. And then, they brought me into their UFO.

When I had just stepped into the UFO, I found that I was in the space! I felt helpless but nobody could help me. I was discouraged.

At this time, I heard a familiar voice. 'Get up, Sherri! You'll be late for school,' said Mum. I

opened my eyes slowly and realized it was just a dream.

I hope I won't meet aliens anymore.
