2. Plan a story. You've got four panels, so work out what's going to happen in each one.
3. Sketch a rough draft first. Then draw and colour nicely.
4. Every comic strip has a beginning, middle and end.
5. Add a sound effect, speech bubble and / or thought bubble in each panel.
6. After drawing the comic, write your comic story on the sheet provided.

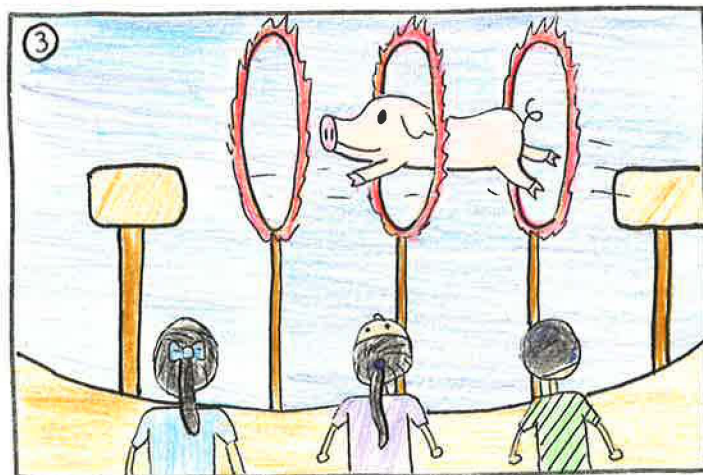

Choose and ✓ one topic to create your comic:

Now, write your comic story in not fewer than 80 words here.

Yesterday I went to Crazy Animals Circus with my best friend May. We felt very happy and excited.

First, we watched a penguin trapeze show. I thought it was amazing because the trapeze penguin could swing a backwards and forwards motion in the air. I took many photos of it and the audience felt awesome.

Then, a pig walked out onto the stage. It was going to perform the fire ring show. May felt so worried but I felt so excited. The pig started to jump, May closed her eyes for a moment. The pig jumped fastly through the fire rings. It safely landed on the other side of the stand. All the audiences shouted, "Hooray!"

When the show ^{was} finished, we felt very hungry. We went to an ice-cream stall to buy ice-cream. It was very delicious. Then we went home happily.

I think this is the most unforgettable memory in my life.
