Happy Family Picnic

Let's go.

Illustrator: Nicholas Chan

My family goes to the park
for a picnic today.

I can see some butterflies.
They are flying near the flowers.

I can see some ants.

They are walking on the grass.

I can see some ducks.

They are swimming in the pond.

I can see some birds.
They are singing in the trees.

Mum and Dad will give us
yummy hot dogs to eat.
