## FAMILY PICNIC IN NATURE

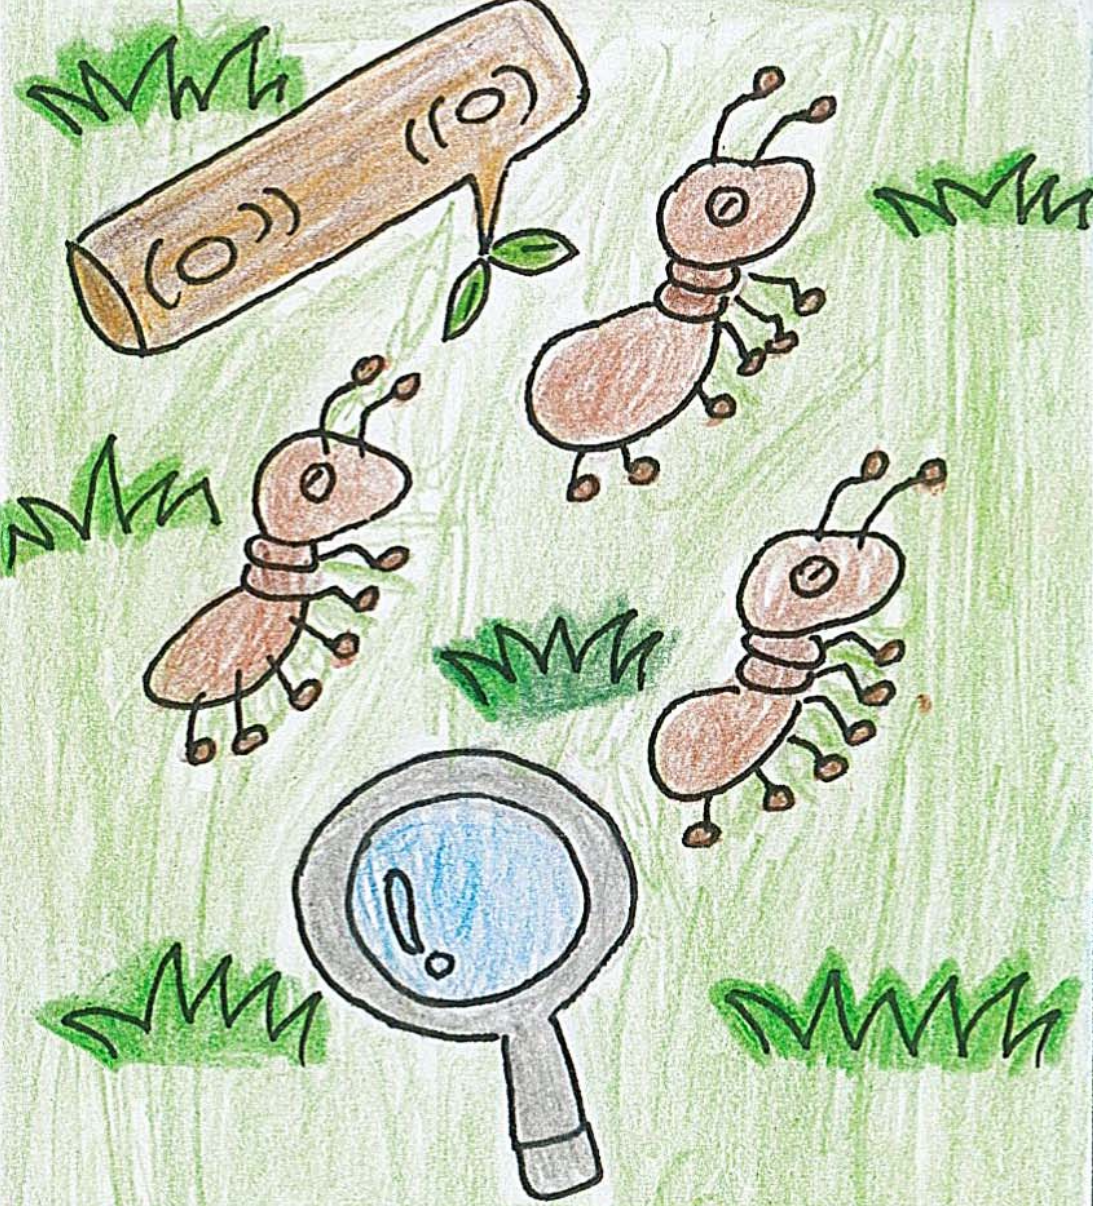

My family goes to the park  
for a picnic today.

I can see some butterflies.  
They are flying near the flowers.

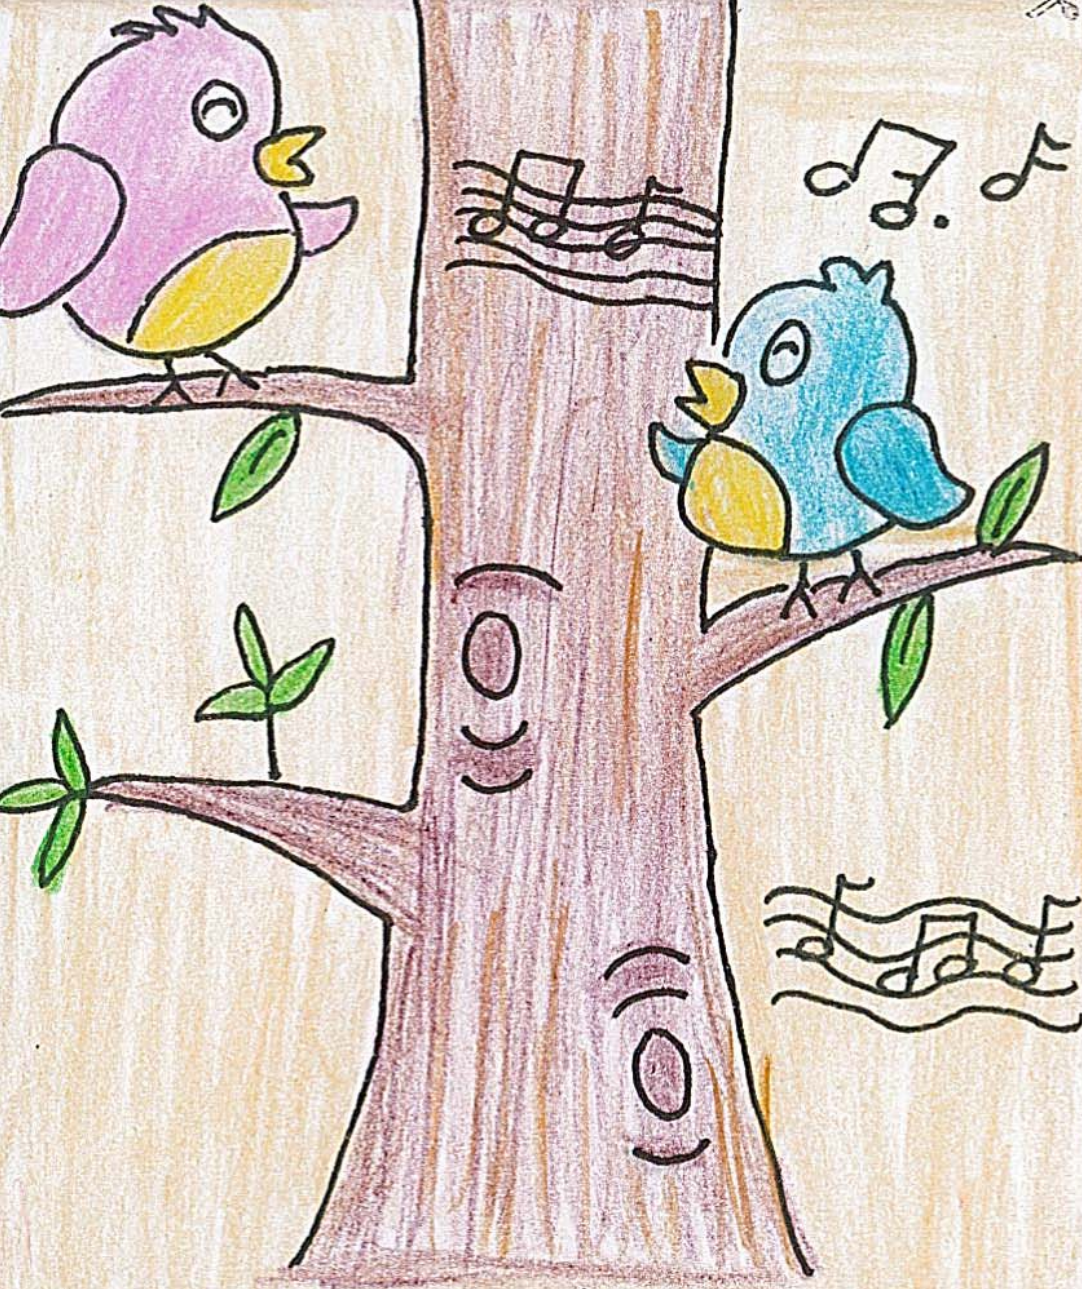

I can see some ants.  
They are walking on the grass.

I can see some ducks.  
They are swimming in the pond.

I can see some birds.  
They are singing in the trees.

Mum and Dad will give us  
yummy hot dogs to eat.
