Write a thanksgiving note to thank God for something in your primary school life. You also need to draw a picture of the people and the thing(s) you are thankful for. Below is an example of a thanksgiving note from Jenny.

Dear God,

I am very happy to study in Kei Faat Primary School (Yau Tong).
My teachers are great and my classmates are helpful. I learn how to
be a good child at school. I will study hard.

Thank you.

Jenny
